

27 October 2017

ASX RELEASE

## 30 September 2017 Quarterly Report

### Highlights for the Quarter

#### Corporate

- Review of new opportunities continues.
- Cash and investments totalling \$5.43M at the end of the quarter.

The Board of Bulletin Resources (ASX: BNR, Bulletin) provides the following Quarterly Report for the period ending 30 September 2017.

As previously announced on 26 July 2017 Bulletin acquired Gekogold Pty Ltd (Gekogold) which has a royalty over the Geko gold project operated by Golden Eagle Mining Limited (GEM).

On 26 October 2017 Gekogold commenced legal action against GEM claiming that GEM did not lodge a mining proposal with the Department of Mines and Petroleum in accordance with the Tenement Acquisition Agreement (referred to in the 26 July 2017 ASX Release) by 31 August 2016 as it was required to do, and as a result, Gekogold believes that it is entitled to the retransfer of the two tenements referred to in the ASX release namely M15/621 and L15/229.

Bulletin continues to review and conduct due diligence on a number of opportunities in the resources sector but has yet to conclude a transaction. Bulletin will continue to identify an appropriate opportunity that it believes is in its and shareholders best interests.

#### ***Tenement Holdings and Movements for the Quarter***

Bulletin, via acquiring Gekogold Pty Ltd, held a registered interest in M15/621 and L15/229 near Coolgardie at 30 September 2017.
